PROFESSIONAL SUMMARY

- 3.3 years of overall experience with Informatica PowerCenter in migration, testing, data analysis, and enhancement.
- Designed, developed, and optimized ETL processes to manage large-scale data integration, ensuring data accuracy and consistency.
- Skilled in debugging and resolving data integration issues to ensure seamless data flow.
- Created and maintained technical documentation for ETL processing and mapping.
- Experienced in data ingestion, test planning, effort estimation, test case design, defect reporting, and generating test completion reports.
- Good understanding of business processes and ability to work independently and collaboratively.

TECHNICAL SKILLS

ETL Tool : Informatica PowerCenter 10.5.4
Database : Oracle SQL Developer
Utility Tool : SAP Commission
Tracking Tools : BMC Helix, JIRA

HONORS AND AWARDS

Accenture Celebrates Excellence (ACE) Award is a quarterly award, for displaying high performance and Accenture's core values.

EXPERIENCE

ACCENTURE SOLUTIONS | Data Engineering Analyst
VMO2 (Telecom) February 2022 – Present · Chennai, India

Informatica PowerCenter

- Worked in creating data integration mappings, sessions, worklets, and workflows.
- Implemented Slowly Changing Dimension (SCD) Type 2 tables to manage historical data tracking.
- Monitor and troubleshoot ETL processes to ensure data accuracy and integrity.
- Optimized ETL processes by implementing performance tuning techniques.
- Experienced in production deployment and code migration across lower environment to ensure production setup and maintenance.
- Lead unit testing, integration testing, and performance testing to ensure the quality and reliability of data transformations.

SAP Commission

- Developed Rule and Rule elements for the incentive calculation.
- Understand the functional requirements of the business and implement the logic in SAP commissions to meet the business needs.

EDUCATION

- B.E in Automobile Engineering – Aug 2021- CGPA - 7.13
Sri Venkateswara College of Engineering
- HSC - A.M.H.S.School - 71%
- SSLC - A.M.H.S.School - 86%
